

CITY OF EDEN
POSITION ANNOUNCEMENT

Equipment Operator I - IV – Solid Waste

Salary Range: \$34,346 - \$39,759

Issue Date: 3/25/26

Requires a high school diploma or equivalent.

Performs responsible semi-skilled and skilled work in the equipment operation of the collection and disposal of refuse and debris within the Solid Waste Division of the Public Works Department along with other duties as required. Work is performed following an established route and procedure in accordance with established sanitary rules and regulations. Skill and care are required in operating the equipment near overhead utility lines, trees, homes, and in all types of traffic conditions. Employees are subject to hazards in sanitation work including working in both inside and outside environments and narrow aisles and passageways. May also operate a side-loading knuckle boom loader to collect bulk trash, yard debris, appliances, and furniture from the curbside for disposal; load materials onto trailing flatbed dump truck; transport collected waste materials to various disposal sites based on the type of materials collected; sort materials while unloading for proper disposal; and/or assist with other solid waste or public works crews as assigned. Must be able to check fuel, tire pressure, and fluid levels on equipment and perform preventive maintenance and minor repairs. May also operate an automated garbage collection truck on a designated route or the automated yard waste truck on a designated route. Performs related duties as assigned.

Requires:

- City of Eden Application
- Pre-Employment Drug Screen
- Valid Commercial Class A Drivers' License NC/VA with a tanker endorsement or the ability to get one
