

CITY OF EDEN
POSITION ANNOUNCEMENT

Municipal Services Technician I through IV/Equipment Operator I – Streets

Salary Range: \$32,709 - \$66,754

Issue Date: 3/30/26

Requires a high school diploma or equivalent.

Employees in this class perform a variety of unskilled, semi-skilled and skilled manual labor tasks in the construction, maintenance, and repair of streets and other facilities. Work may involve pouring concrete, pouring and smoothing asphalt, installing driveway pipes, painting and installing signs, painting lines on flat surfaces, cleaning storm drains and catch basins, landscaping, and assisting in minor repair of equipment and vehicles. Work may include carpentry, brick masonry, plumbing and other related construction. Work may also involve a variety of semi-skilled and skilled equipment operation jobs in the construction, maintenance, and repair of streets and other facilities. Employees are subject to hazards in streets maintenance work including working in both inside and outside environments, in extremely hot and cold weather, and exposure to various hazards such as noise, moving mechanical parts, and oils. Work is performed under general supervision in accordance with specific instructions and within defined procedures. Work is reviewed while in progress or upon completion for adherence to instructions and established standards. Operates rollers, air hammers, and other light to medium equipment and hauls dirt, gravel, and other materials. Works independently performing routine assigned sidewalk cleaning or landscape maintenance activities. Hand grades streets, ditches, and driveways. Cleans storm drains and catch basins and mows, trims, and landscapes work area. Constructs signs and installs signs at appropriate locations throughout the City. Performs related duties as required.

Requires:

- City of Eden Application
- Pre-Employment Drug Screen
- Valid Commercial Class A Drivers' License NC/VA with a tanker endorsement or the ability to get one
